3. Expansion in Activities of  
IAC Exchange Committee  
(IAC-D-103/7, 8 August)

The members noted a memorandum circulated prior to the meeting (IAC-D-103/7) which incorporated an excerpt from the minutes of the 30 July OCB meeting and outlined possible action by the IAC to meet the OCB requirement. The Chairman stated that he had accepted the OCB minute subject to ratification by the IAC. After discussion, the members agreed (a) that the Exchange Committee should be instructed to expand its activities to include consideration of the intelligence aspect of proposed exchanges of materiel with the Communist Bloc countries, on the understanding that military members of the Committee would apprise the Committee of the views of the Department of Defense when the Committee considers recommendations with respect to items having military significance; and (b) that pertinent information developed by the sub-committee would be supplied to the East-West Contacts Staff of the Department of State.
